AMENDMENT SUBMITTED WITH REQUEST
FOR CONTINUED EXAMINATION (RCE)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This amendment, submitted concurrently with a Request for Continued Examination (RCE) in the above case, is submitted in response to a final office action dated June 6, 2005 (Final Office Action) and an Advisory Action dated August 8, 2005 in which the Examiner rejected all the claims as anticipated (35 U.S.C. §102) over cited art. On September 6, 2005, the attorney for Applicants and the Examiner held a phone interview to discuss the rejections. Amendments to claim 1, and corresponding system and program claims 18 and 27, were discussed. The Examiner indicated that the discussed amendments to claims 1, 18, and 27 would likely distinguish these claims over the cited art. Applicants amended these claims as discussed. Amendments to independent claims 10, 23, and 36 were also discussed. No agreement was reached as to the patentability of these claims. Applicants amend the claims as discussed. Applicants also submit certain of the amendments from the Response to Final dated July 29, 2005. Applicants submit that all pending claims 1-43 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.
Remarks/Arguments begin on page 12.
